

Hugger Glove Company

HEAD Under WEAR

Once again the innovative people that brought you waterproof leather products have introduced another indispensable product for year round bikers. The appropriately named Underwear for Your Head provides all seasons protection for you head whether you ride with or without a helmet.

During the winter it provides warmth from the cold air seeping under your helmet. Soak it in cold water during the summer and it keeps you cool even on the hottest day. For more info, visit www.huggergloves.com
